Welcome to the 2022-2023 School year - Principal Cochol

It is with great excitement that I write this letter of introduction to you as your new Principal. I am humbled and honored to join the Temple Terrace family. Over the past fifteen years in Hillsborough County, I have worked in a variety of settings to prepare for the work that we will do together. Most recently, the Assistant Principal of Oak Park Elementary where we were able to turn the school from an F to a C. When I am not at school, you can usually find me with my husband and son. We are huge sports fans and beach goers.

I couldn't be more excited to serve this community. Temple Terrace was recently awarded the school grade of a 'C'. This is up from a 'D' rating over the prior four years. While this is a great accomplishment, we still have work to do. Our goal is to be an 'A' school by 2024, and I am confident that together, we will meet this goal.

I am also excited to tell you about some improvements that have been made to our campus over the past couple of months. We have landscaped the front of the school, repaved both courts, and are in the process of painting the school. We have many more projects planned to make our campus a beautiful place that our community can be proud of.

Please remember that students must be in uniform every day. Our uniform tops are maroon, grey or white polo/collared shirts and navy or khaki bottoms. Hoodies/sweatshirts are only allowed if they are zip-up and plain navy, grey or maroon. I look forward to our students displaying the Temple Terrace

Points of Pride: Respect, Ownership, Achievement, and Responsibility. Together we are working on improving our ROAR!
